

Prince William County Virginia | Pi Lambda Lambda | Third District – On August 17th, 19th, and 21st, 2021, the Omega U Program was participated in supporting the Prince William County Public Schools Community Day Events at Unity Braxton Middle School, Graham Park Middle School, Rippon Middle School, and the Neabsco Community Park Back to School celebration. Prince William County is the 2nd largest school district in the 3rd District.

It was another opportunity to sign up young men for our Omega U Mentoring Program and also share with the community the great work PLL does throughout Prince William County and surrounding areas. We also had the opportunity to meet with the Superintendent of Prince William County Schools Dr. LaTanya McDade.
