

Prince William County Virginia | Pi Lambda Lambda | Third District – On January 22nd, 2022, the Omega U Program had a STEAM presentation called “Share My World: A Photo Documentary of Me.”

Our guest was Mr. Ross Oscar Knight. He is an international photographer and speaker. In his photography, he captures lifestyle images and documents culture. His commissions include work for Verizon, Lululemon, Random House Publishing, and Southwest Airlines. Ross currently serves as the Director of Photography for Syracuse University in Central New York. The exercise for the students was to capture nine (9) images of what their world looks like on a 3x3 (images can be shot by phone or photo camera). The exercise was for students to name what type of emotions are being expressed in the images displayed.

Ross Oscar Knight explains his experiences being in photography and one of the many things he likes about it.
