

Prince William County Virginia | Pi Lambda Lambda | Third District – On October 7, 2023, the Omega U students traveled to VMI (Virginia Military Institute) for their Military and STEM Programs.

Educators and administrators in grades three through twelfth are encouraged to register for the conference, which will feature more than 30 workshop-style breakout sessions across the STEM disciplines of science, technology and engineering. The VMI academic program educates cadets in a rigorous environment that encourages lifelong learning and develops citizens of character who anticipate, respond, and lead in a complex and changing world.

Brothers of Omega Psi Phi Fraternity who are VMI Alumni joined Omega U, to give their experience of being undergraduates at the school.
